Live Commentary

18.5 Bumrah to Karthik

6 SIX, a smashing pull shot from Karthik and the match is all but sealed! No one at deep midwicket, Bumrah bangs it in short, and Karthik responds with such authority

18.4 Bumrah to Kohli

3 3 runs, overthrows! Short of length on middle, Kohli tucks it through midwicket and pushes hard for two. Fielder runs in from the boundary, looks to throw at the non-striker's end and it's a terrible throw, nowhere near Bumrah who's at the stumps. Should've been two, now it's three

18.5 Bumrah to Karthik

0 no run, Kohli groans in frustration! A short ball just outside off, he wants to ramp it over the keeper's head but misses. It's been called one bouncer for the over
